## WELCOME TO THE FIRST EDITION OF PERMASCHOOL NEWS!

### HIGHLIGHTS FROM THE KICK-OFF MEETING

**Mission Set:** Equip educators with new skills to integrate permaculture into school learning.

**Students First:** Foster environmental understanding through hands-on, project-based lessons.

**Bridging the Gap:** Connect policy, research, and classroom practice to create lasting impact.

We are thrilled to announce **the launch of PermaSchool**, a new Erasmus+ project designed to empower educators and students to take meaningful climate action through the principles of permaculture.

Our journey began in January 2024 with the project's Kick-Off Meeting, bringing together partners from across Europe to plan the road ahead for this exciting 24-month initiative.

### LATEST UPDATES

- Establishment of a Co-Creation Panel of experts
- Alignment Workshops with teachers, students and experts
- Development of the PermaSchool Curriculum

### UP NEXT

- The second transnational meeting of the PermaSchool consortium
- Launch of the online PermaSchool Hub
- Transnational Teacher Training taking place in Spain
- Implementation of PermaSchool Curriculum in schools
